Overview

This Tecnomar 26.8 meter motor yacht, built in 2006 and extensively refitted in 2019, exemplifies Italian luxury design and performance. Twin 2,000 HP MTU engines allow for exhilarating cruising up to 43 knots. A refined, elegant interior and modern navigation systems ensure comfort and control.

Interior & Accommodation

Bright open-plan salon with panoramic views. Accommodates 10 guests in 4 luxurious en-suite cabins including a full-beam master suite. Separate crew quarters ensure privacy and high service standards.

Deck Spaces & Exterior

Multiple outdoor lounging and dining areas. Electrically retractable sun awning, forward sunpads, and underwater LED lighting provide a premium onboard lifestyle.

Performance & Engineering

Powered by twin MTU engines with surface drives. New generator (2023), C-Zone digital control, and upgraded electronics provide reliability and speed up to 43 knots.

Entertainment & Connectivity

Crestron control system with 6 iPads, UHD TVs in all cabins, high-speed Wi-Fi, and streaming via Netflix, Spotify, and more.

Tenders & Toys

Includes 4 m ZAR Mini RIB (2021), Sea-Doo Spark (2019), paddleboard, Seabob, and towables. Broad swim platform allows easy access to water activities.
