## Destinations

*Our base is located in the cosmopolitan port of Porto Heli, one of the most refined seaside destinations in Greece. Your experience begins discreetly at the marina entrance, where the catamaran Lion Royal welcomes you for a private, high-end daily cruise across the Argolic Gulf.*

*Departure is scheduled at 11:00, with the first destination being Hinitisa — a small, exotic island featuring turquoise waters and white sandy beaches. An ideal setting for relaxation and swimming in complete tranquility.*

*We then cruise along the southern coastline towards Agios Aimilianos, one of the most exclusive areas of Argolis. Crystal-clear blue-green waters and natural serenity create the perfect environment for privacy and unwinding. The journey continues to Spetsopoula, a destination of distinct character, where the deep blue of the sea blends with the vibrant green of pine trees, offering a landscape of rare natural harmony.*

*Sailing further towards Spetses, we reach Agios Georgios Bay — a secluded “blue paradise” where the scenery remains untouched and authentic. Emerald waters, soft sand, and absolute calm define a setting of understated luxury.*

*On the return to Porto Heli, you will experience a remarkable sunset over the Argolic Gulf, with uninterrupted views across the islands and the shifting colors of the sea. Throughout the day, freshly prepared meals are served on board, accompanied by selected fruits, soft drinks, and carefully crafted cocktails. Every detail is designed to ensure comfort, privacy, and a high standard of hospitality.*
